FOR IMMEDIATE RELEASE: Updated Flood Warning in Centralia, WA

As the rain continued throughout the night, the following roadways in Centralia have been closed:

N. Rock Street from Main Street to Magnolia Street

N. Iron Street from Main Street to Magnolia Street

Intersection of Oak Street at Maple Street

There is currently approximately 6 inches of water over Kresky Avenue at Scott Johnson Road. One lane is still open; however that could change at any moment.

The two sandbag stations are still open in the 400 block of N. Pearl Street (parking lot on the NW corner of Pearl Street and Maple Street) and the City Maintenance Shop at 2600 Reynolds Road.

The rivers and creeks are still being monitored.

Updates to follow.
