Release # 2

FOR IMMEDIATE RELEASE:

Centralia, Wa.

The Centralia Police Department reports Jennifer M. Glaze and her two grandchildren are alive and safe.

On January 21, 2019 Glaze and her two grandchildren along with a golden retriever drove to the Packwood area to look for new camping spots. They ended up getting the Chevrolet Tahoe they were in stuck in snow on a forest road east of Packwood. Due to their location, they didn't have cell service to call for help. They spent the night of the 21st and 22nd huddled in the Tahoe with only snack foods available.

At approximately 10:00 AM this morning a local citizen driving in the area looking for wildlife tracks located Glaze and her two grandchildren and the golden retriever. The citizen transported them to the Packwood Fire Station.

There are no injuries to report and all are in good health.

The Centralia Police Department wants to thank the Lewis County Sheriff's Office and all the volunteers who assisted with this case.
