Date: May 5, 2020

PRESS RELEASE

Due to requirements outlined in the Governor's executive order regarding the COVID-19 emergency, the City of Centralia is cancelling activities associated with the 4th of July Summerfest celebration. Most of the usual events, including the breakfast, parade and destruction derby, would not be compliant with the distancing measures and gathering restrictions anticipated to be in place at that time. A public fireworks show may still be sponsored. Details on this will be announced at a future date.

The City extends its sincere gratitude to all of the volunteers and sponsors that have made Summerfest such a lasting success and look forward to 2021.
