

MONTHLY WATER RATES
ORDINANCE NO. 2224

Water billing is based on a monthly minimum plus a consumption charge for each unit. Water minimums do not include any units. For service less than 30 days, a minimum of one month shall be charged. Water is billed in whole units of 100 cubic feet. One unit equals approximately 750 gallons. One cubic foot equals 7.48 gallons. There is also a monthly high elevation booster pump charge of \$13.48 where required. The following rates will be effective with the January billing.
