Have you ever wondered what it takes to be a SWAT Officer?
Can you measure up to the challenge?

The CPD Officer's Association is now offering the actual entry level SWAT exam as specified by the WA State Training Commission

This test is administered by SWAT team members to the same standard that every SWAT officer must pass on the first day of SWAT school.

The test is administered at the start of the first day. If an officer fails any event, the officer is sent home right then. There are no excuses and no exceptions.
