

STORM & SURFACE WATER UTILITY RATES

ORDINANCE NO. 2511

For Single Family Residential accounts the City will bill the responsible person as registered on the water account. If a single family residential water account is closed the City will send a "Storm and Surface Water Only" billing statement to the property owner. A "Storm and Surface Water Only" billing statement will be sent to those property owners who are not served by City Water.

For Commercial and Multi-family accounts the City will send a "Storm and Surface Water" billing statement to the parcel/property owner.

The following rates will be effective with the January billing.
