Borst Home Group Tour Information

Thank you for considering a group tour of the Borst Home Museum and Schoolhouse. Group tours are made by calling (360) 330-7688 with at least three weeks notice, during the months of April through September only. Tours include the Borst Home, outbuildings and a replica of a one-room schoolhouse. Group minimum number is 10. Less than 10 may visit us during regular open house hours.

Fees:

Groups of fewer than 40 people: \$25.00	Groups of 40-80 people: \$50.00
Groups of 81-120 people: \$75.00	Groups of 121-160 people: \$100.00
Schools – No charge for school tours	

Payment (if applicable) must be made in advance at the Parks & Recreation office in person at Centralia City Hall (118 W Maple St.) or by mail (P.O. Box 609, Centralia, WA 98531). Please make check payable to: City of Centralia.

Tours are usually one hour long, which accommodates 60 people. However if you are limited on time, we can tailor and shorten your tour. We ask that upon arriving, you divide your group into smaller groups of about 10-15 each.

A restroom is available, but has limited capacity—a restroom stop prior to your visit is recommended. No food or drink allowed in the buildings. We are happy to accommodate handicap accessibility to the 1st floor of the home if you give us notice.

To request your group tour date, please return the bottom portion of this form to the above address as soon as possible. We will call you to confirm your tour.

Tour Request Form

Your Group Name: _____ Contact Name: _____

Phone Contact(s): _____
