

## CENTRALIA CITY LIGHT

### NET METERING APPLICATION AND COMPLIANCE FORM

For Installation of Customer-Owned, Grid Connected  
Electric Generating Systems

Appendix A to Interconnection & Net Metering Agreement

**A \$100 FEE IS CHARGED FOR EACH APPLICATION**  
**(PAYABLE TO: CENTRALIA CITY LIGHT)**

<b>A. Applicant Information</b>	
Name:	
Electric Account No:	
Mailing Address:	Zip Code:
Installation Address (if different from above):	Zip Code:
Daytime Phone: ( )	FAX: ( )
Email:	
<b>B. Electric System Information</b>	
1. Identify Type of System: <input type="checkbox"/> Solar PV Array <input type="checkbox"/> Fuel Cell <input type="checkbox"/> Wind <input type="checkbox"/> Hydroelectric	
2. Site Location of System on Property:	
3. System Description:	
Manufacturer:	Type/Style:
Nameplate Data:	
Voltage & Frequency:	Maximum kW output:
4. Synchronous Inverter / Synchronous Generator / Induction Generator (Circle one)	
Manufacturer & Model #:	
Serial Number:	Power Rating:
Location: <input type="checkbox"/> Indoor <input type="checkbox"/> Outdoor	Location at Property:
Nameplate Data:	
Voltage & Frequency:	
Operating Power Factor:	
<b>C. System Designer and Installation Contractor Information (if applicable)</b>	
1. Design Consultant:	
Address:	Zip Code:
Phone: ( )	FAX: ( )
2. Installation Contractor:	
Address:	Contractor's License No.:
Phone: ( )	Zip Code:
FAX: ( )	
<b>D. Installation</b>	
1. Proposed Installation Date:	
2. <b>Submit/Attach a one-line electrical diagram for proposed electrical system, including metering points in relation to the Centralia City Light electrical system and the Customer's generating system location.</b>	

### **E. Interconnection Compliance and Owner Acknowledgement**

- ❖ The electrical system referenced above shall meet the Centralia City Light “Interconnection Standards for Customer-Owned, Grid Connected Electric Generating Systems”.
- ❖ Customer shall be solely responsible for obtaining and complying with any and all necessary easements, licenses and permits, or exemptions, as may be required by any federal, state, local statutes, regulations, ordinances or other legal mandates.
- ❖ The Customer shall submit documentation to Centralia City Light that the system has been inspected and approved by the local permitting agency regarding electrical code requirements.
- ❖ Customer shall not commence parallel operation of the generating system until inspection and written approval of the interconnection has been given by Centralia City Light.
- ❖ This Application Form shall be Appendix A to the Centralia City Light “Interconnection & Net Metering Agreement”.
